

TRANZ AM

The year is 3472 and all that remain on Earth are the ruins of a once great continent, a barren land, a desolate place of sand, rocks and boulders. But life adapts quickly and brings with it a New Age, a time ruled by cars and trophies, a land where petrol replaces gold, and esteem is possession of the 8 Great Cups of Ultimate. Possessed for too long by the 'Deadly Black Turbos', the 8 cups remain hidden through the land, their strange inscriptions long since forgotten and their locations reverently protected. Your chance... a Super Blown Red Racer equipped with advanced technology, and power which far surpasses any Black Turbo.
