

Another program from Sulis Software:

### WORDPOWER

- ★ Increases and enriches your vocabulary
- ★ Teaches you to use words more accurately
- ★ Helps you to spell correctly

WORDPOWER is a powerful package containing more than 1200 words, including opposites, synonyms, nouns/adjectives, collectives and similes.

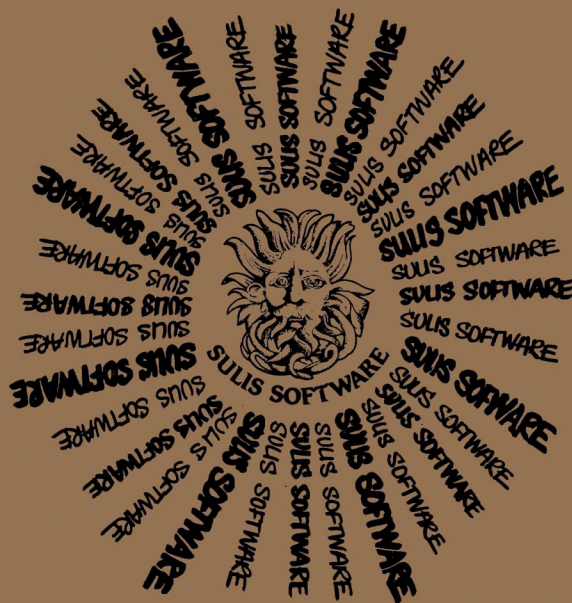

A choice of two games, plus a key-in option and different levels of difficulty make up a compulsive package—and you'll soon find you're packing a new punch with words you've never known how to use properly before.
