Fun School 3 for 5-7s

Fun School 3 consists of six stunning educational programs for three age groups: Under 5s, 5 to 7s and Over 7s, that will help develop many skills including number and word skills at your child's own pace.

Beautifully-created pictures, stunning animation and exciting sounds will keep your child coming back time and again – and the programs will sow the seeds of computer literacy, an important requirement in the National Curriculum. Fun School 3 has been developed by the winning team which put together Fun School 2, the biggest-selling educational package ever with more than 170,000 UK sales.

TREASURE SEARCH

Follow the compass directions to find the buried jewels. Introduces the idea of relative distances.
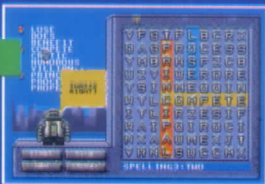

WORD SEARCH

Pick out the words hidden in the grid. The top level includes diagonal words printed backwards.

ROBOT DRAW

Create beautiful patterns and learn how to program in a powerful Logo-like language.

PLANETARY MATHS

*Solve the sums before they hit the spinning forcefield. Very challenging on level 5 will even stretch adults.*

SENTENCES

Correct spelling, punctuation and grammar mistakes. 100 sentences each with up to five errors.

DATA BASE

Store information, sort it, search it, then test yourself. Eight files ranging from Dates to Europe.
