

Ever wanted to own and run an Indian restaurant? Well me neither, but now you can!

Welcome to the Sinclair Tandoori. Take a seat, grab some Bombay mix and relax while we prepare the dish of your choice. We have the usual favourites: Chicken tikka masala, vegetable biriyani... as well as a few more exotic dishes.

But now it is your turn to take to the kitchen! You will have to decide how much to spend on ingredients, how much to pay your staff, even what shade of carpet will greet your customers on their arrival!

With authentic Indian atmospheric ragas, lively décor and an overdraft of £500.00, your business can only flourish! Just don't go bankrupt...
